This policy explains how BizMed treats your personal information when you access and use the Service. The policy may be updated from time to time at our discretion. Changes will be effective upon posting to the site.

3. Description of the Service

The Service is a practice information and management service that allows users of the Service to consolidate, track and analyze aspects of their business. Based on such information, the Service may also present information relating to third party products or services ("Advertising Offers").
